

BorgWarner finalise l'acquisition de l'activité de charge de Hubei Surpass Sun Electric (SSE)

Auburn Hills, Michigan, 1^{er} mars 2023 – BorgWarner Inc. (NYSE: BWA) annonce avoir finalisé l'acquisition des activités Electric Vehicle Solution, Smart Grid et Smart Energy de Hubei Surpass Sun Electric (SSE). Cette acquisition marque une avancée importante pour l'activité d'électrification de BorgWarner en Asie. Elle renforcera notamment sa présence dans le secteur de la recharge en Europe et en Amérique du Nord.

Pour nous, SSE représente une excellente complémentarité stratégique au moment où BorgWarner renforce son expertise et sa présence dans le secteur de la recharge, en tirant parti de la profonde mutation de l'industrie en faveur de l'électrification. Pour plus d'informations sur la démarche stratégique de BorgWarner visant à renforcer sa présence actuelle dans le secteur de la recharge, lire le communiqué de presse - [BorgWarner va acquérir l'activité de charge de Hubei Surpass Sun Electric](#).

statements are not guarantees of performance, and the Company's actual results may differ materially from those expressed, projected or implied in or by the forward-looking statements.

You should not place undue reliance on these forward-looking statements, which speak only as of the date of this press release. Forward-looking statements are subject to risks and uncertainties, many of which are difficult to predict and generally beyond our control, that could cause actual results to differ materially from those expressed, projected or implied in or by the forward-looking statements. These risks and uncertainties, among others, include: supply disruptions impacting us or our customers, such as the current shortage of semiconductor chips that has impacted original equipment manufacturer ("OEM") customers and their suppliers, including us; commodity availability and pricing, and an inability to achieve expected levels of recoverability in commercial negotiations with customers concerning these costs; competitive challenges from existing and new competitors including OEM customers; the challenges associated with rapidly-changing technologies, particularly as relates to electric vehicles, and our ability to innovate in response; uncertainties regarding the extent and duration of impacts of matters associated with the COVID-19/coronavirus pandemic, including additional production disruptions; the difficulty in forecasting demand for electric vehicles and our electric vehicles revenue growth; potential disruptions in the global economy caused by Russia's invasion of Ukraine; the ability to identify targets and consummate acquisitions on acceptable terms; failure to realize the expected benefits of acquisitions on a timely basis; our ability to effect the intended tax-free spin-off of our Fuel Systems and Aftermarket segments into a separate, publicly traded company; the ability to identify appropriate combustion portfolio businesses for disposition and consummate planned dispositions on acceptable terms; the failure to promptly and effectively integrate acquired businesses; the potential for unknown or inestimable liabilities relating to the acquired businesses; our dependence on automotive and truck production, both of which are highly cyclical and subject to disruptions; our reliance on major OEM customers; fluctuations in interest rates and foreign currency exchange rates; our dependence on information systems; the uncertainty of the global economic environment; the outcome of existing or any future legal proceedings, including litigation with respect to various claims; future changes in laws and regulations, including, by way of example, taxes and tariffs, in the countries in which we operate; impacts from any potential future acquisition or disposition transactions; and the other risks noted in reports that we file with the Securities and Exchange Commission, including Item 1A, "Risk Factors" in our most recently-filed Form 10-K and/or Quarterly Report on Form 10-Q.

We do not undertake any obligation to update or announce publicly any updates to or revisions to any of the forward-looking statements in this press release to reflect any change in our expectations or any change in events, conditions, circumstances, or assumptions underlying the statements.
